Simple

simple insurance making peoples lives easier

Have you ever thought..?

Have you ever thought what would happen if you had a burglary? How would you replace your precious possessions? Or supposing you had a fire in your kitchen. Could you afford to re-equip it out of your own pocket?

We are pleased to tell you that Green Vale Homes have negotiated a scheme with Royal & Sun Alliance Insurance plc, one of the UK's leading insurers.

Green Vale Homes tenants now have the chance to insure the contents of their homes in an easy and affordable way.

Working with us, Royal & SunAlliance has produced a home contents policy specially designed for the tenants of Green Vale Homes. It's simple and value for money, with premiums payable weekly, monthly or annually.

This is a voluntary scheme and you are of course free to make your own arrangements to insure the contents of your home.

Green Vale Homes have negotiated this scheme as a service for tenants and DO NOT receive any money from the scheme.

This leaflet tells you about this special policy and how you can apply. So why not take out insurance now? [Before you need it.](#)

What the Policy does not cover...

Please note this Policy is not a maintenance contract, it does not cover all losses.

The Policy does not cover:

- Loss or damage by scorching without a fire actually starting.
- Loss or damage by wear and tear, maintenance, electrical, mechanical or electronic breakdown, leaks and anything which happens gradually, radioactive contamination, war risks, sonic bangs, pollution or contamination, rot, date change and computer viruses and terrorism.
- Any items used for business or professional purposes.
- Losses by certain causes when the home has been unoccupied for more than 35 days in a row.
- Loss of value in property.
- Any claim that is notified to us more than 60 days after the event.

This is only a brief summary of what the Policy does and does not cover. Full details of the conditions and exclusions are given in the Policy; a specimen Policy document is available on request.

You should read your Policy carefully. Make sure it meets your needs.

Working out how much to insure for

The table on the next page will help you calculate the insurance cover you need. First read this page, then work out, room by room, the replacement cost of your belongings and enter it in the space provided. Then add up the entries. This is your **Sum Insured**.

Costing your belongings

The policy insures your household contents and personal belongings other than clothing and household linen on a **new for old** basis.

This means that no deduction is made for wear, tear and depreciation.

You do however have a duty to maintain your household contents and personal belongings in sound condition and good repair.

So, in calculating your replacement costs give the current replacement cost of all items, less an allowance for wear and tear for clothing and household linen.

Valuables

These are items which are particularly prone to theft, such as jewellery, watches, clocks, articles of precious metal, pictures, works of art and stamp, coin and medal collections.

If you believe that some of your possessions have a high value, you may wish to have them valued independently by an expert, for example a jeweller.

The maximum amount of cover provided for your valuables under this Policy is 1/3 of the total Sum Insured.

Making certain you are adequately insured

The scheme offers special low, minimum Sums Insured to ensure that you only pay for the cover you need. These are:

- £6,000 for tenants aged 60 or over and in receipt of state pension or residents of Sheltered or Supported Accommodation.
- £9,000 for all other tenants.

However, it is important not to take these as recommended figures. If you undervalue your contents your claim will not be paid in full.
